

O! My GuruInfinite
Datta I pray, show me light
Keep my mind always right
Give me might, help me fight

Fill my heart with morality
Help me serve Humanity
Bless me always O! Trinity
Lead me to Eternity

Kill my ego, open my eyes,
Show your form, give me peace
Clean my mind, make me wise
Your grace is the greatest prize

Pardon me, take me along
My journey is very long
Make my tongue sing your song
Sachchidananda make me strong
